# ***Ground Rules***

- **We're telling you what is going on - essentially a program review**
- **We invite you to give us feedback**
  - **During**
  - **After, collectively**
  - **After, individually if interested**
  - **We will collect all questions and answers and publish them**
- **Things we're most interested in:**
  - **Where can our strategies be improved?**
  - **Considering our Portal, for example, how long should we stick with it?**
  - **What should our refresh cycle be?**
